ROHAN MEHTA

Growth Marketing Manager

SUMMARY

Growth marketer with 4 years in consumer fintech and edtech apps. Runs paid acquisition and CRM together, and judges both on 90-day retained users, not installs.

EXPERIENCE

Growth Marketing Manager, PayNest (fictional) | Aug 2023 - Present

- Own a ₹1.8 Cr monthly paid budget across Google and Meta; brought cost per KYC-complete user down 31% in two quarters.
- Set up the first holdout test for push and WhatsApp campaigns, which showed 40% of attributed CRM revenue was not incremental.
- Rebuilt the onboarding journey in CleverTap; day-7 activation rose from 22% to 29%.
- Work with product and data on a weekly growth review of 14 funnel metrics.

Performance Marketing Associate, LearnLoop (fictional) | Jun 2021 - Jul 2023

- Ran app-install campaigns for a test-prep app, scaling from 20k to 90k installs a month at flat CPI.
- Built creative testing cadence of 10 new ads a week; winning ads cut CPI by 18%.
- Moved attribution from Firebase to AppsFlyer and cleaned up duplicate install counting.
